A ministry of Mount Zion Bible Church

Dear Friend,

Thank you for your interest in courses from Mount Zion Bible Institute. Our purpose is *to glorify God by teaching His Word, through distribution of courses worldwide without charge*. The courses are focused on personal application of the Word of God, for life changes toward holiness and service. Our desire is for the approval of God and not men, therefore *no “diplomas”* are offered (a “certificate of completion” is sent in correspondence study).

When you are ready to begin your study, please do **all three** of the following, and return this letter to us:

1. Fill in the application on the reverse side.
2. Select the course you desire from one of the following. We recommend to start with “Look to Jesus.”

3. Choose one of three options for course study:

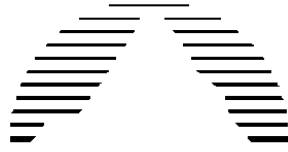

- a. *individual independent study* (with no mailing or central grading).
In the independent study method, you **do not mail** lessons to us, but use the materials at your own speed, with the reading material itself serving as your own feedback. This gives you the student the most flexibility.
- b. *groups* studying together, with feedback from a local group coordinator.
- c. *centralized correspondence study*, with feedback from Mount Zion.
In this method, all lessons must be 1) mailed to us, and 2) completed within four months.

Our main request is that you *make a commitment to finish* the entire course. All individual materials are available without charge. We therefore want to ensure they are well utilized. (For multiple copies, we believe it is biblical to give support as the Lord leads.)

We appreciate your study of God’s Word. Our desire is that as many as possible should be trained in the truth of the Scriptures!

Sincerely,

The Staff at Mount Zion Bible Institute
